Dear Sir
Enclosed please find
receipt for the money paid the
Trust & Loan Cy say interest on
\$600 up to 1st May 1869. I also
spoke to Mr. Woodward about the
time the principal would be due
and he said it was due now.
But I suppose he will let it
run up until the 1st of May as
they have given a receipt up to
that time. I told him that you
would be down early next week
and we would then call in &
arrange the matter with him.
Will you have the goodness
to call at the Post Office for
a letter that was mailed from
here for me on Saturday last.
I spoke to the postmaster several
times about it when I was up

and he told me there was no
letters for me. Please mail it
to my address as soon as you
receive it. I got down all right
and found all at home well
hoping all are well,
I am truly yours,
John DeWitt
