Dear Andrew,  
When you left  
we forgot the most important items  
of the sale, namely the terms  
if you will be kind enough to say  
when you write just what I am  
to state on the hand bills as to  
the terms of sale what credit will be  
given that is the amt and time.  
We are going to have a sale here  
on the 10<sup>th</sup> of June and it will  
take 6 days at the least for me to  
make my deliveries so that will put  
the sale to the 17<sup>th</sup> or 18<sup>th</sup> of June.  
Please let me know if this will  
suit I enclose a letter from  
Dunning which Becca handed  
me which I think he is as

---

as usual pretty cool and  
would not advise your  
answering to commit your  
self as he is a great scoundrel  
and would take advantage  
of any letter you might write  
him. All well & hope you are  
same & remain

Truly yours,  
John DeWitt
